Ge (Sunny) Li

+44 (0) 7443 677926 | sunnyhh051008@gmail.com

EDUCATION

University College London London, UK
BSc Statistics, Grade 82.34% 2023 – 2026

WORKING EXPERIENCE

Phlo Systems Limited London, UK
Analyst and Developer 05/2025 – 07/2025

- Built a multi-agent AI system for commodity trading, adapting existing stock market research to the commodities domain.
- Built and deployed an interactive demo using Streamlit to present system capabilities to stakeholders and clients.
- Designed product mockups and landing page flows using Figma to guide future UI/UX development.

Ernst & Young (EY) China Shanghai, China
Risk Management Consultant 07/2024 – 09/2024

- Led on-site supervision for a key banking client, managing a team of interns, and ensuring project milestones were met.
- Developed a Python-based credit limit model from the existing Excel framework, improving efficiency and accuracy.
- Delivered model results to the client by iterating features based on feedback and evolving business needs.

Student Career Center Online
Tutor and Counselor 07/2024 – Present

- Deliver one-on-one IGCSE and A-Level Mathematics tutoring, tailoring instruction to student needs and academic goals.
- Coach students on language proficiency and test-taking strategies to enhance overall performance.
- Provide personalized guidance for university admissions, including mock interviews and application preparation.
